General Statement of Professional Experience (written by firm)

Morin Land Surveying provides a wide range of surveying needs to a diverse group of clients. We have a professional and technical staff with over 15 years of experience.

Some of the many services we provide are as follows:

- 1) Boundary Surveying acres range from 2 acres to 350 acres
- 2) As-built \ Topography Surveys acres range from 0.5 acres to 175 acres
- 3) Construction stake out
- 4) Flood Elevation Studies
- 5) Subdivision Planning and Site Development
- 6) Mortgage Inspections: Residential, Construction and Commercial

Our method of surveying allows us to provide a quality service in a timely manner at a competitive rate. Our data collection enables us to locate information efficiently and accurately in the field and download directly into our computer. We also have the ability to supply our client a plan in color for a more professional presentation.
